Dear Mayor Robertson and Council Members:

Your recent award of \$2,000 for the Nevada Rural Counties Retired and Senior Volunteer Program Inc. (RSVP) was received and is greatly appreciated. We understand that funding for programs is difficult and we truly value your support to seniors who are in need of essential services in White Pine County.

This funding will contribute greatly to the quality of life of elders, Veterans and family caregivers, and will assist them to remain independent and in their own homes for as long as possible. RSVP's programs help seniors avoid costly premature institutionalization. Our valuable volunteer-delivered services save the counties and cities thousands of dollars per person per year if indigent.

RSVP is truly honored to work to provide more access to services to strengthen the fabric of your community. We are able to do so only because of the generosity of benefactors such as you.

Please do not hesitate to contact me if you need further information or have questions about our programs. Thank you so much for your support of RSVP and senior citizens in the City of Ely.

Sincerely,

Susan C. Haas
Executive Director & C.E.O.
