MDL No. 2804 (N.D. Ohio)

Allocation Map

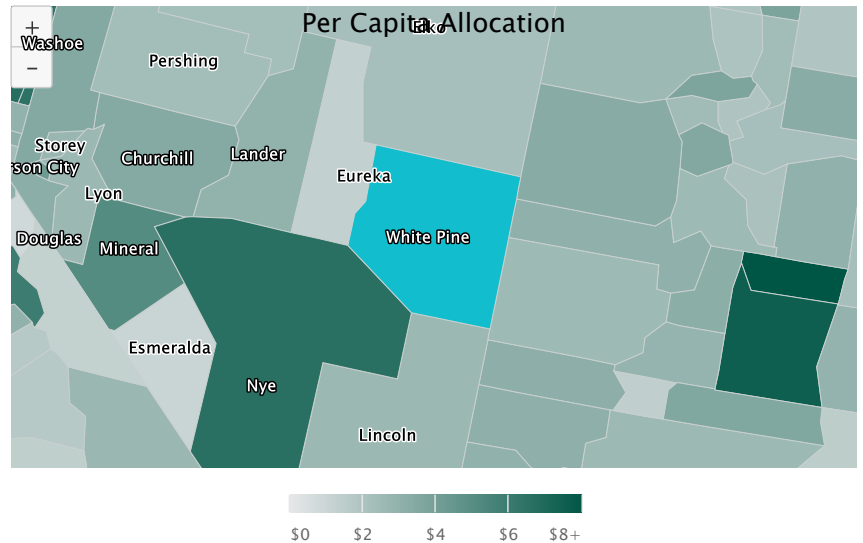

Select a State and County, then press Submit. The allocation amount is based on a hypothetical \$1 billion gross settlement for Counties and Cities, of which \$150 million will be reserved for the Class Members' Special Needs Fund⁽ⁱ⁾ and \$100 million will be reserved for a Private Attorneys' Fee Fund⁽ⁱⁱ⁾, which results in \$750 million for the Initial Distribution to Counties & Cities. If you have questions regarding the allocation process, please click [FAQs](#) (<http://www.opioidsnegotiationclass.info/Home/FAQ>), in the menu above.

County-level Allocation for White Pine County*

Total Allocation Value: \$50,708

Per Capita Value** \$5.06

* This Initial Distribution will be shared between the county and all incorporated municipalities within the county.

** "Per Capita Value" refers to the amount the county would receive per resident based on a hypothetical \$1 billion gross settlement for Counties and Cities. The per capita value was calculated by dividing the allocation to the county by the county's population

The county and the cities within the county will have the opportunity to reach agreement on how the county-level allocation will be shared amongst them. If the county and cities are unable to reach agreement, the funds will be distributed as shown in the table below, according to the default intra-county allocation formula explained in [FAQ 12](#) (<http://www.opioidsnegotiationclass.info/Home/FAQ#faq12>). Under the default intra-county allocation formula, when a city's share is less than \$500, that amount will instead be distributed to the county in which the city lies to allow practical application of the abatement remedy. Affected cities could seek recovery through intra-county allocation, see [FAQ 12](#) (<http://www.opioidsnegotiationclass.info/Home/FAQ#faq12>), or from the Class Members' Special Needs Fund, see [FAQ 20](#) (<http://www.opioidsnegotiationclass.info/Home/FAQ#faq20>). In the rare circumstance that a city with a share of less than \$500 lies in a county that does not have a county government, the amount would instead go to the Class Members' Special Needs Fund, and Class members could seek recovery from that Fund.

White Pine County \$48,694

Ely \$2,014

ⁱApplications may be made to the Special Needs Fund by any Class member. Distributions from the Special Needs Fund to Class members are allowed for: (1) a Class member to recover its own costs of litigating its lawsuit; and (2) to obtain additional relief for any local impact of the opioids crisis that is not captured by the Class member's automatic allocation. Applications will be made to and approved by a court-

appointed Special Master, on a case-by-case basis. Any unawarded amount remaining in this Special Needs Fund would revert to the Class.

ⁱⁱThe Private Attorneys' Fee Fund (up to but no more than 10% of any Class settlement) is intended to address county and city private counsels' attorneys' fees obligations in lieu of contingency fee contracts. See [FAQ 10](#) (<http://www.opioidsnegotiationclass.info/Home/FAQ#faq10>) for more information.
