PARKS, CEMETERY & RECYCLING SEPTEMBER 2018 REPORT**

PARKS

We planted twelve trees at Broadbent Park, raised and donated by the Tree Board. All parks are being winterized. There are no issues.

CEMETERY

During September we had five services and the Cemetery Crew did an excellent job. A valve needs to be changed at the Cemetery and everything is being winterized.

RECYCLING CENTER

As of today, we have 97 bales of cardboard, 9 bales of paper, 5 bales of plastic and 7 bales of aluminum.

AULTMAN ST. & AROUND TOWN

We're repairing street lights. The rest of the parts came in yesterday for the bucket truck and we'll be putting that back together shortly.

MAINTENANCE

We continue to maintain vehicles.

If there are any concerns, suggestions, or comments, please call me at any time.
