SHINE
YOUR
LIGHT

FOR
FIREFIGHTERS

In commemoration of **International Firefighters' Day 2020**, the **National Fallen Firefighters Foundation (NFFF)** asks you to join us in celebrating firefighters by lighting your home in red. On May 4 – 5, 2020, we ask you to **Shine Your Light for Firefighters**, changing your porch light(s) to show your gratitude for firefighters world-wide who are on the front lines for us every day. Be sure to share your **#ShineYourLight4Firefighters** story on social media.
