Re: City of Ely's Ownership Interest in 1785 Great Basin Boulevard, APN 002-280-15

Dear Mr. Howe:

On January 18, 2017, at a Special Meeting of the Ely City Council, the City Council considered the County Commission's letter dated January 12, 2017 requesting the City transfer its ownership interest in the property located at 1785 Great Basin Boulevard, Ely, NV, APN 002-280-15, more commonly known as the Public Safety Building to the White Pine County Commission. As you were present, you are aware of the issues the City discussed pertaining to this transfer of ownership.

Notwithstanding those issues discussed, the City Council voted unanimously to begin the process required by NRS 268.061(e)(2) to meet the communities needs for a jail expansion and/or renovation and the construction of a new Courthouse complex to house all of the courts in White Pine County, including the Municipal Court, in one location.

Therefore, this letter serves as notice to the White Pine County Commission of the City's intentions.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Melody Van Camp
Mayor
