Julie:

Thank you for taking my call today regarding the Georgetown issue. I am providing you with a series of APNs for you to conduct your investigation. I would like to go all the way back from to the original grantor/grantee back to present for each APN. I would also like you to provide me with a copy of all of the deeds and maps associated with each of these APNs.

APNs: 10053003, 1053005, 1053007, 1053006, 1042006.

Please let me know what you will charge the city for providing these services. I am not looking for title insurance, I am working on an issue involving a dispute between the City and the County regarding these parcels.

Thanks in advance.
